Advertising

Better level in this issue than recent. No problems with late payments. Seasons phone number is wrong – check details sent and amend. Our fault

Current Issue

Greenfield have sent contributions for the first time in a long time. Hopefully will continue, having re-established link. Berkett House have sent one article as well having not done so since change of staff, hopefully this too will continue. Two reports from the WI both make interesting reading and come with photos. Current contributor makes a good job of monthly meetings. Generally good content, refreshing to have new contributors.

Next Issue

Cricket club to send a report. Possible cover new owners of Axe & Square? Parish & District Council election reports. Photos of new play equipment.
