Apologies

Distribution

Main drop did not respond to text messages AO took main drops out on Tuesday. Owen called later in the week to apologise and say he had not seen messages. Will change to sending notifications via Whatapp. Send dates over in advance.

Rest of distribution was okay.

Finance

Bank statement just under £4106 in account. Need to increase advertising charges by 10% to cover increased cost of printing. Last increase was April 2020

Advertising

Arnesby School booked half page and then did not send artwork. Delay caused by requiring paperwork to set up supplier account which was sent but still no copy supplied. Generally a good level of advertising for the issue.

Current Issue

WI thanked team for including updates and news. They had two new people attend as a result. Good issue although had to dig around for news to complete.

Next Issue

Yarn bomb, planning applications, panto. David Burley sending in an article on the history of pubs in the village.

Christmas Meal

Team are meeting on 15th January at the Axe & Square for seasonal meal
