Distribution

Westfield Ave was a copy short. Redrow was done by AO. There is a new volunteer from next issue. Plus one who responded to request on FaceBook. Les Sarbo needs 6 more copies. TB's delivery has still not gone out.

Finance

Cost of printing has increased. First change since Flexpress took over from Alice Graphics. 29th May bank £9610.46.65. Excludes cost of current issue.

Advertising

This issue a little light on advertising. Could do with a further eight squares. We have received settlements for some of the outstanding adverts.

Current Issue

PP sent email to say it was a good issue. Email from local sports reporter commenting that the Harvey Barnes article was an 'old story'.

Next Issue

Arc mini-market is closing. Active Arts want next years programme to be included.

Computer requirements

Updated InDesign will not run on existing computer. Support sort to purchase a more up-to-date machine. Mac desk top?
