

Herald Committee Meeting (via Zoom) Minutes

Wednesday 13th October 2020

Present AO MS AP GH (Welcome to Georgina Holyoak)

Apologies EC

Distribution

We have had three volunteers for the main driver that Ro has done for so long. The article in the last issue drew three quick responses via email. Owen Jackson will take on the role from December issue. The other two volunteers have agreed to stay on record for any further volunteering. Sheila Pennington advised that Mrs Chapman has retired from delivering on Springwell. AP has photo of her with thank you flowers for the next issue.

Finance

Bank statement just under £4674.70 in account. EC absent through family illness. Move to on-line banking being processed. MS offered assistance, if required.

Advertising

AO intervened to chase two outstanding accounts, both have now settled. Still awaiting outstanding amount for CA Cars.

Current Issue

Good comments about content, particularly Hedgehogs and walking market. Esta from Fitness Works was upset that her new café was not the first to feature in the Herald. Maria had already identified Coffee Works as the subject as the next issue.

Next Issue

Communication has been received regarding Bassett Avenue may feature in next issue if we can get a consolatory tone. Coffee Works (Maria). Something on country park walks. Youth Work in the village – contact Young Leicestershire
